# SHOW YOUR SUPPORT FOR TRAILS IN INDIANA!

## WE ARE TRYING AGAIN! GET YOUR BIKING, HIKING, WALKING, CANOEING LICENSE PLATE NOW!

***"Yes … I want to help the Greenways Foundation with its mission of getting more trails and greenways in Indiana. We need more linear parks now! I want to show my support for trails by having a Greenways license plate on my car or light truck."***

Beginning in 2011, if the Indiana Bureau of Motor Vehicles approves our application, you can buy a special Greenways plate for only $40. The Foundation will receive $25 from each plate sold. Those funds will go a long way toward helping the Foundation assist communities throughout Indiana to realize the economic, recreational and health benefits of trails. We think we have a good chance to succeed this year with your help. This will mean that for the first time Hoosier citizens will be able to display a license plate that expresses their support of biking, hiking, equestrian, running and canoeing trails.

Please indicate by signing below that you will support trails and greenways in Indiana by pledging to purchase a Greenways license plate beginning next year. **Please mail completed petition form by March 22nd to: Greenways Foundation, PO Box 80091, Indianapolis, IN 46280-0091. Include your name and email address across the top so we know whom to thank for this support.**
